

Roll-Devil's

Vertical Roll Lifters

Weston Roll-Devil's™ are powerful Vertical Reel Lifters, for lifting reels from **25 to 1000kg!**

Roll-Devil Duo™

The *Weston® Roll-Devil Duo™* is available for any diameter of core lifting loads up to **450kg.***

- Lightweight
- Compact
- Powerful
- Easily Maintained
- Inexpensive!

Designed and built in-house, all of *Weston's®* Reel & Roll Lifters are simple yet powerful devices that grip directly into your reel's core, biting deeper and gripping harder as the load gets heavier!

Roll-Devil Quad™

The *Weston® Roll-Devil Quad™* is a heavier duty Reel & Roll Lifter. It utilises four sets of gripping teeth that grip the core and can easily lift loads up to **1000kg!***
